Dear Community Activists,

This is to thank you for your generous donation and distribution of school supplies to Imagine Me Leadership Charter School on September 5, 2013. Your donation (valued at \$2,341.84) fostered the IMLCS mission to provide effective and meaningful instruction that will motivate students to be actively engaged in the educational process.

We would like to also recognize and express our appreciation for your recognition of several of our Honor Roll Leaders. The Leaders were encouraged to be proud of their academic success and to continue to keep up the good work.

We are expecting great things at Imagine Me during the course of this school year. Your generosity of service and materials definitely promoted the ability to meet our goals and objectives. Once again, thank you very much.

Respectfully,

Katherine Corbett  
Executive Director
